EDIFYING QUESTION BANK (2COR 13:10)

- **Gifts.** What gift/strength would you like to develop and deploy to benefit the body of Christ? Have you ever been deliberately disciplined to boost this strength? What could God do through you if you were deliberately trained in this area?
- **Transparency.** Is there anything that we can talk about that will help you enjoy fellowship in the light? If necessary, see “Reproving Sin” Section
- **QTs.** Did anything that you’ve experienced in a QT with God encourage you recently? Tell me about it. How did that invite even more work of the Spirit in and through you? What else has God been saying to you via His Word? What do you think He wants you to do about it? How can I help you stay the course? If you put that into practice, what difference will that make in you? How will that invite even more work of the Holy Spirit in you?
- **Outreach.** Has God put someone on your heart to love? Tell me about it. Who can you love next? What might be a new way to reach them? Have you had any success disrupting someone with an invitation lately? Tell me about it. How did that invite even more work of the Spirit in and through you?
- **School/Work.** What is work teaching you about godliness? What challenges have you braved? What’s your best hope for a great week of school (or work) this week? How can I “spot” you as you get after that?
- **Marriage/Parenting.** What would your spouse hope that we would discuss today; about marriage, about parenting? Has there been a moment of growing closer together recently? What difference did that make? How did that invite even more work of the Spirit in and through you? What could you proactively do to boost it higher? How can I help you stay the course?
- **Finance.** Have you had an experience with trusting God that put money into a better perspective recently? How would you most like to grow in your stewardship of the financial resources God has entrusted to your care?

- **Good Shepherding.** Have you seen some progress in the faith of someone whom you disciple? Tell me more about that. What difference does that make for them? What difference can that make in the Body of Christ? How can you boost their discipleship even higher? What difference will that make? How can I help you achieve that plan? Who is someone that you were tempted to give up on but instead prayed for them and made an effort to help them? What difference did that make? What else could help? How can I join you in this service to the saints?
- **Reinforcing Questions.** You can follow up that question or almost any other question with the next 4 universally helpful questions:
 1. **What difference did that make?**
 2. **How did that promote or invite even more work of the Holy Spirit in you?**
 3. **How does that benefit the Body of Christ?**
 4. **Tell me more.**
- **Guided Discovery Questions for Scriptural Convictions:**
 - **Interpretation Questions**
 - What did the original audience hear when they heard/read these words?
 - (If correction or direction is in view) How did the author/speaker also connect to this audience to God’s affirming love/call/choice?
 - What was the author/speaker trying to get across to his original audience?
 - So what did this mean to THEM, THERE and THEN?
 - What conviction did Spirit work in them when they heard/read this?
 - **Application Questions**
 - How can you live out that very same conviction?
 - What will tomorrow look like if you put this into practice?
 - If we were to watch a video of you putting this into practice, what would we see?
 - **Contemplation Questions**
 - What difference would that make? How would that make things better?
 - How would that invite or promote more work of the Spirit in or through you?
 - How would this benefit our community of faith?
 - What obstacles should you anticipate getting in your way? How will you overcome them?
 - On a scale of 1 to 10, how committed are you to this plan of action?
